

Fresh and Happy – August News

Joleen has her father's Minnesota State Patrol picture hanging in a grouping of family pictures on the wall in her foyer. The picture on the left is the way it was originally framed. She became dissatisfied with the mat color, so we changed it to a rich brown with a lighter inside mat to make it pop. We used the same frame and glass so it was a simple fix. Now he really looks fresh and happy! Remember that you, too can just change a mat to give your picture an updated look.

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison. You can trust me with your pictures because I have been framing for over 40 years.
