

# Happy Holidays – December News

Thank you all for your business and your friendship over the years. I am so grateful to know each of you! I hope this holiday is warm and wonderful for you.

Football season will soon be over, but the memories are forever. Help to preserve them through framing that lasts a lifetime. Here we used the school colors in a multi-holed mat to showcase the boy's photos as well as his letter. What can you frame to save a special memory?

**“Have frames, will travel”** is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame

work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison.

Please contact Judie at [919-5535633](tel:919-5535633) or [info@TheNatureOfArtFrameShop.com](mailto:info@TheNatureOfArtFrameShop.com) for an appointment. I am looking forward to seeing you soon.
