

Cherished Venice Memories –

December News

Barbara Hunter is a local artist who specializes in oil paintings. She paints landscapes, beach scenes, still life, and portraits of people and pets. She especially loves to work on commission and capture her collectors' favorite memories. If you would like to see more of her work, or to potentially become a collector yourself, visit her website at www.barbarahunterart.com or email her at barbara@barbarahunterart.com to learn more.

We framed this painting with a black, olive wood frame. The texture is reminiscent of the old world of Venice and the clean lines made it contemporary enough to fit in with the décor of its new home. The dark moulding keeps the focus on the painting itself.

Cherished Venice Memories!

“When my art followers are ready to become collectors, they come to

me with a vision of capturing special moments in their lives. In this case, it was a 10-year anniversary trip to Venice, Italy, and this was the view out the hotel window they woke to each day!”

HAPPY HOLIDAYS!!

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison. You can trust me with your pictures because I have been framing for over 40 years.
