

Memories at Christmas – December News

My friend, Al, asked us to cut a Christmas tree shape out of wood for him this year. His wife passed away in March and he wanted to do this project in her memory. She loved and collected earrings and he wanted to hang some of them like ornaments on a little tree. He said it would be a way to have her there with the family at Christmas. I think it was a big success! Thank you, Al, for including us in your celebration.

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison. You can trust me with your pictures because I have been framing for 41 years.
