

HAPPY HOLIDAYS – December News

Thank you all for your business and your friendship over the years. I am so grateful to know each of you. I hope this holiday is warm and wonderful for you!

Patricia's canvas was too small to stretch on the usual canvas frame because she would lose parts of the image. As the artist decided to do something different, so did we. To preserve the image and the deckle edge of the canvas, I mounted it on top of a matboard that complemented the colors of the painting and surrounded it with a minimal metal frame which echoed the thin black lines of the piece. Thank you, Patricia, for letting me share this.

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to

your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison.

Please contact Judie at **919-553-5633** or info@TheNatureOfArtFrameShop.com for an appointment. I am looking forward to seeing you soon. Please check out my website at www.TheNatureofArtFrameShop.com for framing ideas, plant spirit cards and prayer flags along with other offers and services.
