

VANtastic – January News

Happy New Year! And, in this case, a happy new frame for an old favorite. Julie's husband has always loved classic VW microbuses and owned a 1967 split window and a 1990 vanagon. His sister sent him this poster from Spain about 7 years ago and he hung it in a bathroom. Unfortunately, the moisture in that room caused the poster to wrinkle and swell. I was able to remedy this using a process called **dry mounting** which flattened it out and adhered it to a backing so it would not return to the wrinkled state over time.

Julie picked out double matting and a larger frame to give the picture more importance on the wall where it was to hang. Now check out how she presented him with the gift! She wrapped it and hung it where it was to go. Great idea, Julie!

Thomas was very happy with his surprise gift!

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison. You can trust me with your pictures because I have been framing for 41 years.
