

January NewsHappy New Year!

Watch for it...it will be a good one!

Speaking of a good one...how about this child's drawing that Amy Spears framed for a Christmas gift. Do you recognize the subject? What a great way to preserve something special. And the artist is honored with his name in a title opening just below the picture. Bright colored mats work well with children's art.

HEY!! Let's do something fun for the new year. Send me your short version of something good that has already happened or you expect to happen in this year and I will put it on my next newsletter. Anonymously, if you like. Maybe we could make it an on-going thing.

“Have frames, will travel” means I will visit you for a free framing consultation and free delivery when your framing is done. Call, email...or visit me on Fridays at Chambers Arts gallery in Cary at Ashworths Village.
