

Creativity Recycled – July News

Here we have something really creative using recycled materials! My plant lover friend, Suzanne, put pressed botanical specimens in recycled CD cases that she arranged and mounted on foam board. “To give the assemblage a finished look I had Judie (The Nature of Art) bring a few frame samples by the house. This deep, silvery wooden frame complements the art and the painted wall. Thanks, Judie.”

And thank you, Suzanne. What a great idea!

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the

area where the picture will be hanging since it is easy to hold samples up for comparison.

Please contact Judie at **919-553-5633** or thenatureofartframeshop@gmail.com for an appointment. I am looking forward to seeing you soon. Check out my website at www.thenatureofartframeshop.com for framing ideas, rustic birdhouses, cottages and cards along with other offers and services.
