

A Very Good Fellow – June News

My customer, Vinnie DeBenedetto, has been a Charter member of the Holly Springs Rotary Club since 2004 and he asked me to frame his Paul Harris Fellow awards.

We decided on a royal blue mat to showcase the gold pins, with a black frame that was tall enough to accommodate the space needed for the pins. We used a multi-hole, raised mat for the ribbon award at the top and pins at the bottom. The Paul Harris Fellow certificate in the center is flush with the mat which is an interesting contrast in depth. It makes for an impressive display for his office!

Vinnie said, “I really enjoy the arrangement. The pins represent monetary contributions levels to the Rotary Foundation.” Thank you, Vinnie for sharing this with us.

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the

area where the picture will be hanging since it is easy to hold samples up for comparison.
