

I want to remember – May News

Cheryl Mimms, a long-time customer of mine, took a trip with her sister to Egypt this year. Here is what she said about it:

“I wanted to bring a reminder of my fantastic trip to Egypt home with me. I was very drawn to the vibrant colors in this street scene, very unlike what’s depicted on most papyrus.”

We “floated” the paper on the mat so that the raw edges of the papyrus paper could be seen. The mat we used was a neutral color so as not to compete with the bright paint in the picture. The olive wood frame Cheryl chose was perfectly in keeping with the style of the artwork.

It looks great, Cheryl! Thank you for sharing. And thank you for all your interesting stories.

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison. You can trust me with your pictures because I have been framing for over 40 years.
