

Still close by ... May News

Jake was the beloved family dog of my Raleigh customer, Georgina and her family. When he passed away, a kind friend painted his portrait for them with a wonderfully whimsical background. So as not to take away from Jake, we kept the mats and frame neutral. The frame has an unusual texture reminiscent of pressed tissue paper. Framing a picture of a pet is a good way to honor him and keep him close by. Thank you, Georgina and Jake for welcoming us into your home.

Have frames, will travel is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison.

Please contact Judie at 919-553-5633 or info@TheNatureOfArtFrameShop.com for an appointment. I am looking forward to seeing you soon. Please check out my website www.TheNatureofArtFrameShop.com for framing ideas, plant spirit cards and prayer flags along with other offers and services.
