

## Thanksgiving Arts and Crafts Show – November News

My husband, Joe, and I made these birdhouses out of reclaimed wood, old tin, and decorative antique objects. The wood and tin were saved from an old house and chicken coup on the family farm that had been torn down. Each bird house is one-of-a-kind as the source of all the materials is limited.

They will be for sale at the annual Thanksgiving fine arts and crafts show, Lasting Impressions, held at 1414 Miranda Woods Lane, Fuquay Varina on:

Friday, November 29      9 – 6

Saturday, November 30    9 – 6

Sunday, December 1      12 - 4

I hope to see you there!

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your

choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison.
