

## Taming the Zinnias -- October Newsletter

The zinnias in our gardens are done for the year but my customer brought hers inside with this painting that she framed. The zinnias are larger than life so we used a wide, ornate black frame to rein them in. The contrast of the frame and the colors of the flowers makes everything pop. It definitely claims its space on the wall!

**“Have frames, will travel”** is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison. You can trust me with your pictures because I have been framing for over 40 years.
