

# Achievement Acknowledged – September News

My neighbor, Liam, received his certificate for completing the **Eagle Scout** program. He earned his Eagle rank in May, 2019 after a lifelong career in scouts from cubs to Scouts. For his eagle project he planned, recruited and led a group of people in building 2 t-ball fields at GCAA for their baseball and softball programs.

Quite an achievement and definitely something worth preserving. We used an off-white mat so as not to compete with the blue background, and a black frame with gold lines, picking up the gold seal on the paper. **Congratulations, Liam!**

**“Have frames, will travel”** is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison.
