

## Cary Artist – September News

L. J. Charles is a Cary artist who paints several paintings at once in her abstract style. Using birch cradle board, acrylic paint, and various acrylic and shellac inks, as well as many different forms of mark making, she creates from within, so the result is from emotion and intention-and is always a surprise.

“Our creative path isn’t something we need to figure out intellectually: it is the spontaneous expression of our innermost desires and intention.” -- Unknown

A canvas can be framed but does not require one (shhhh!). I am happy to wire the back for you.

L. J. sells her artwork. If you are interested in seeing more, please contact The Nature of Art for more information. Here are two of her recent creations:

Dancing Through Time -- and -- Simplicity

**“Have frames, will travel”** is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison.

Please contact Judie at [919-553-5633](tel:919-553-5633) or [thenatureofartframeshop@gmail.com](mailto:thenatureofartframeshop@gmail.com) for an appointment. I am looking forward to seeing you soon.
